REQUIREMENTS

- There is no unique requirements on behalf of the ECs
- CMS will automatically collect data on two cost measures:
 - Medicare Spending per Beneficiary (MSPB)
 - Total per Capita Cost
- Performance Period is for 12 months

SUBMISSION MECHANISMS

- CMS will collect data on the cost measure through administrated claims
- Individual ECs and groups are not required to submit any additional information

SCORING

- 10% of the ECs Final Score
- Each individual MIPS eligible clinician's and group's cost performance will be calculated using administrative claims data if they meet the case minimum of attributed patients.
- Performance is compared against performance of other MIPS eligible clinicians and groups during the performance period so benchmark is not based on a previous year
- Performance category score is the average of the two measures
- If only one measure can be scored, it will serve as the performance category score
- Improvement Scoring:
 - Will be based on statistically significant changes at the measure level.
 - Up to 1 percentage point available.
